

Sunday May 11th 2025

The Rotary Club of Spey Valley is proud to present its second Charity Classic, Sports and EV Car Tour on Sunday May 11th 2025.

We are planning a comprehensive drive, starting in Aviemore, of approximately 150 miles to show you the best of Highland Scotland, with mile after mile of quiet and scenic roads. The tour will conclude with a meal, presentations and prize giving. We are grateful to our main sponsors, **Arnold Clark**, all our other sponsors and supporters for their help.

The tour will be in aid of the following charities:

Macmillan Cancer Support – because cancer can affect the patient’s life in so many ways the charity does whatever it takes to give people the support they need.

CRY- Cardiac Risk in the Young– works to reduce the frequency of young sudden cardiac death (YSCD) and offers support to families affected by YSCD. Every week in the UK at least 12 young people die of undiagnosed heart conditions. CRY is a UK registered charity founded in 1995.

The Rotary Club of Spey Valley – supports local, national and international charities as well as local causes.

SUNDAY May 11th 2025.
